CURRICULUM VITAE

EDUCATION

- 8/99-12/05** **Doctoral Degree (Ph.D.), Counseling Psychology**
University of Miami *Coral Gables, Florida*
- APA Accredited Program
 - Concentration in Neuropsychology
 - Qualifying Examination-successfully completed
 - Dissertation-successfully defended
- 8/97-8/99** **Masters Degree (M.A.), Clinical Psychology**
Southern Methodist University *Dallas, Texas*
- APA Accredited Program
 - Concentration in Psychological Assessment
 - Focus on Child Psychology
 - Masters Thesis-successfully defended
- 8/90-8/94** **Bachelor of Business Administration (B.B.A)**
Bachelor of Arts (B.A.)
Emory University *Atlanta, Georgia*
- Major: Finance
 - Major: Religion

PROFESSIONAL AFFILIATIONS

- American Counseling Association (ACA)
- American Psychological Association (APA)
- Florida Psychological Association (FPA)
- Student Affiliate Group (SAG)
- Children with Special Needs and Disabilities Council

RESEARCH EXPERIENCE

2/06-Current Program Professor

Nova Southeastern University Fischler School of Education and Human Services Miami, FL

- Insure compliance of Applied Dissertations with the academic IRB standards
- Prepare recommendations to students and faculty when IRB compliance requirements are not achieved.
- Conduct internal and external evaluations/research.
- Serve as a Member on the university's IRB.
- Serve as a consultant to Applied Dissertation Committee Chairs to ensure that all students are navigating through the IRB process successfully.
- Decide disposition of doctoral students' IRB status, coordinate professional development seminars and workshops on IRB policy and procedures for Applied Dissertation Committee Chairs, and serve on search committees for faculty and staff.

7/03-8/05 Consultant to the Director of Behavioral Medicine

Department of Family Medicine & Community Health, University of Miami Miami, FL

- Co-authored a grant for the Robert Wood Johnson Foundation to examine the efficacy of complimentary and alternative medicine interventions for patients with diabetes.
- Co-authored a grant for Eli-Lilly involving improving diabetes self-management through a cognitive based problem solving intervention.
- Currently working on a R21 proposal through the National Center for Complimentary and Alternative Medicine that would examine the effects of Tai Chi on patients with chronic diseases.
- Weekly meetings with the Chairmen of Family Medicine and the Director of Behavioral Medicine.

8/03-8/05 Research Director

Mailman Center for Child Development, University of Miami School of Medicine Miami, FL

- Manage multiple grant databases (NIEER, YWCA SB6, NEED).
- Assisted in the completion of six government grants including; Quality 2000: Linking quality childcare and family environment to maximize child outcomes (Q2K).
- Utilize MANOVA, ANCOVA, Hierarchical Regression (with SPSS), Univariate and Multivariate Latent Growth Curve Modeling (with Mplus 2 software) for data analysis.
- Complete year-end reports for YWCA SB6 program evaluation, and assist in the completion of year-end reports for other ongoing research projects.
- Co-authored an article on inclusion, presented results of multiple projects at various conferences.
- Completed program evaluation for our inclusion replication manual.

8/04-8/05 Research Coordinator

Active Chiropractic Clinics Glasgow, Scotland

- Conducting research on the biopsychosocial dimensions of chronic headaches.
 - Utilized Hierarchical Linear Regression analysis.
 - Examining the effectiveness of sacral-cranial manipulation as a complimentary and alternative medicine approach for alleviating headache pain.
 - We hope to generate new predictive factors and evaluative measures to improve care.
- Co-Author: Dr. Greg Steiner

- 8/99-8/05 Research Team Member**
Counseling Psychology Program, University of Miami Coral Gables, FL
- Research focus has been the investigation of coping styles of pediatric cancer patients and their parents, obesity, HIV, and psychological trauma
 - Conduct SEM (confirmatory factor analysis, path analysis, and regression models) using Amos and Mplus 2 software to analyze data.
 - Assisted on a grant proposal for the Division of Epidemiology and Clinical Applications and the National Heart, Lung, and Blood Institute.
 - This grant proposes to test the effectiveness of a coordinated school and community-based multi-component intervention to prevent the decline in physical activity levels and cardiopulmonary fitness of girls in middle school.
Supervisor: Kent Burnett, Ph.D.
- 8/03-8/05 Doctoral Dissertation**
Counseling Psychology Program, University of Miami Coral Gables, FL
- Logistic regression analysis of an extant data base to predict violent from non-violent juvenile offenders using behavioral, personality and cognitive factors.
 - Emphasis on the correlation between language abilities and violent behavior.
Supervisor: Kent Burnett, Ph.D.
- 7/03-8/05 Research Project**
Pediatric Rehabilitation, University of Miami/Jackson Memorial Medical Center Miami, FL
- Impulsive aggressive behavior is a problem associated with traumatic brain injury (TBI).
 - This form of problematic behavior is described in the literature as the recurrent uninhibited loss of temper manifested in verbal and physical outbursts, throwing/damaging of property.
 - We examined Geodon (ziprasidone) in the treatment of impulsive aggressive behaviors in pediatric traumatic brain injury.
 - Conducted qualitative and quantitative (GLM Repeated Measures) data analysis.
 - Performed latent growth curve analysis to examine individual differences.
 - Three case studies involving Geodon to alleviate impulsive aggressive behavior in severe brain injured adolescents were included in article prepared for publication.
Co-Author: John Kuluz, M.D.
- 8/00-7/02 Program Evaluation**
Mailman Center for Child Development, University of Miami School of Medicine Miami, FL
- Conducted a qualitative and quantitative program evaluation of Enterprise Zone - Preschool Inclusion Project; U.S. Department of Education
 - Collected data and evaluated classrooms at various head start centers.
 - Utilized multiple focus groups to conduct a qualitative evaluation.
 - Conducted data analysis and a quantitative evaluation of the efficacy of this project using well validated and reliable measures taken over a three year time period.
Supervisor: Marcelo Castro, Ph.D.
- 12/97-5/99 Research Team Member**
Southern Methodist University Dallas, TX
- Research focus was on personality, motivation and goals.
 - Conducted coding, data entry, data analysis and the organization, construction and collection of questionnaires.
 - **Conducted Exploratory Factor Analysis and correlational analysis.**

- Provided editing on various manuscripts.
Supervisor: Laura King Ph.D.

12/97-6/99 **Masters Thesis**

Southern Methodist University

Dallas, TX

- Proposed and conducted an original research project that investigated the effects of goals and goal attainment on subjective well-being, maturity and generativity.
- Recruited individuals from Professional Ballet companies to participate in the study.
- Conducted data input and analysis, presented results, and prepared article for publication.
Supervisor: Laura King Ph.D.

8/98-5/99 **Research Team Member**

Bipolar Disorder Clinic/Research Program, Texas Southwestern Medical Center

Dallas, TX

- Conducted research on the effectiveness of many current psychotropic medications for Bipolar disorder.
- Independently organized a study for Eli Lilly under the supervision of Dr. Suppes.
- The 12-week study involved the evaluation of Olanzapine as a monotherapy for bipolar patients.
- Administered measures, scored, coded and entered data.
Supervisor: Patricia Suppes, M.D., Ph.D., and Diane Myers, Ph.D.

12/96-12/97 **Research Assistant**

Southern Methodist University

Dallas, TX

- Conducted juvenile delinquent testing, data entry and analysis.
- Initiated coding and analysis to search for possible indicators predicting future learning disabilities.
- Worked on developing a standardized GAF rating scale for family systems, utilizing the Beavers/Hampson model.
Supervisor: Buck Hampson, Ph.D.

CLINICAL EXPERIENCE

8/03-7/05 **Post-Doctoral Fellow in Outpatient Pediatric Center**

Mailman Center for Child Development, University of Miami School of Medicine
<http://pediatrics.med.miami.edu/mccd1.htm>

Miami, FL

- Coordinate and lead focus groups for various projects including inclusion research.
- Collect data and conduct data-analysis on multiple grants and present findings.
- Co-authored manuscript based on inclusion training outcome data.
- Completed program evaluation (qualitative and quantitative) for our replication manual.
- Direct program evaluation for YWCA's success by six (SB6) enhancement programs (supervise and train school psychologist on various instruments, analyze a, complete year end reports, present results at conferences.
- Supervise master and doctoral level psychologists in assessment, data collection and analysis.
- Provide supervision for school psychologist's work-study requirements.
Supervisors: Susan Gold, Ed.D., and Ruby Natale, Ph.D.

- 7/02-7/03 Psychology Chief Intern – Pediatric Behavioral Medicine Consult/Liaison & Rehabilitation**
Dept. of Psychiatry/Behavioral Sciences, U. of M./Jackson Memorial Medical Center Miami, FL
<http://www.med.miami.edu/psychiatry/Psychol.html>
- As Chief Intern in an APA-accredited program, I performed the following:
- Liaison between psychology faculty, director of training and interns.
 - Voluntary instructor of medicine, providing biopsychosocial training to medical students.
 - Brief/long-term inpatient/outpatient psychotherapy (child, adolescent, family, group)
 - Neuropsychological assessment, psychological evaluation, behavioral contingencies, and behavioral pain management with pediatric patients presenting with traumatic SCI, TBI, cancer, amputation, severe orthopedic injury, chronic pain, stroke, MS, and burn.
 - Presented at rehab grand rounds, psychology grand rounds, neuropsychology testing seminar, developmental neuropsychological seminar, pain management seminar, and consult/liason rounds.
 - Attended and/or presented at psychiatry grand rounds, morbidity & mortality rounds, ethics rounds, psychopharmacology seminar and weekly case conference.
 - Worked with variety of problems such as: depression, anxiety, pain, substance abuse, PTSD/ASD, somatoform disorders, sexuality issues, anger, and personality disorders.
 - Received weekly individual supervision and group supervision in clinical psychotherapy and neuropsychological assessment.
- Supervisors: Barry Nierenberg, Ph.D., Susan Eisdorfer, Ph.D.
- 8/00-7/02 Staff Therapist in Trauma Prevention Program**
Juvenile Gun Offender Program, University of Miami School of Medicine Miami, FL
http://um-jmh.org/HealthLibrary/Trauma_Prevention_Dir.html
- Developed and led anger management and drug and behavior groups for adolescent offenders.
 - Conducted individual counseling and psychological assessments.
 - Responsible for all aspects of case management, including: intake evaluations and reports, session notes, development of treatment plans.
 - Received weekly individual supervision and bimonthly group supervision.
- Supervisors: Laura Kalsner Ph.D., Mimi Sutherland RN BSN MS
- 8/99-8/01 Staff Clinician in Outpatient Pediatric Center- Doctoral Practicum**
Mailman Center for Child Development, University of Miami School of Medicine Miami, FL
<http://pediatrics.med.miami.edu/mccd1.htm>
- Provided testing and assessment of children attending Miami-Dade Head Start Centers.
 - Conducted parent and teacher interviews, completing full evaluative reports for child placement and children's individualized education plans (IEP).
 - Worked as intervention specialist with child groups.
 - Provided training in assessment and testing to Masters level students.
- Supervisors: Susan Gold, Ed.D., and Marcello Castro, Ph.D.
- 8/00-5/01 Staff Clinician in Community Mental Health– Doctoral Practicum**
Institute for Individual and Family Counseling, University of Miami Coral Gables, FL
http://www.education.miami.edu/Depts/eps/EPSPPrograms/CounselEPS/Doctoral/DocAdvise/eps_practicum.html

- Provided long-term, outpatient psychotherapy and psychological assessment to children, adolescents, adults and couples with diverse cultural, ethnic, and socioeconomic backgrounds.
- Gained experience in diagnosis, conceptualization, and treatment of a variety of presenting problems, including: depression, anxiety disorders, sexual abuse, personality disorders, acculturation, ADHD, ODD, CD, divorce, and relational issues.
- Responsible for all aspects of case management including: intake reports, development of treatment plans, case conceptualization presentations, and comprehensive test batteries.
- Received one-hour weekly individual supervision and two-hour weekly group supervision.
Supervisor: Peggy Rios, Ph.D.

10/98-5/99 Staff Therapist in Marriage and Family Counseling

Marriage and Family Counseling Center, Southern Methodist University

Dallas, TX

- Provided couples and family therapy.
- Worked with variety of problems such as: depression, anxiety, anger, cultural barriers, communication difficulties and relational issues.
- Attended weekly in-service training meetings coordinated by the center.
- Received one-hour weekly supervision.
Supervisors: Buck Hampson, Ph.D., and Conny Cornwell, M.S.

8/98-5/99 Staff Therapist in Outpatient Mental Health Program– Masters Practicum

Bipolar Disorder Clinic/Research Program, Texas Southwestern Medical Center

Dallas, TX

<http://www3.utsouthwestern.edu/psychiatry/disorders/bipolar.htm>

- Proposed, and piloted a group therapy program with newly diagnosed bipolar patients focusing on the biopsychosocial aspects of the disease.
- Co-facilitated three different groups of newly diagnosed bipolar patients.
- Conducted individual therapy and psychological assessments.
- Set up and oversaw an Olanzapine mono-therapy study for bipolar patients.
- Carried a caseload of 30 individual Clinic patients and conducted bi-monthly checkups
- Helped complete a grant proposal for the continuation of group therapy for clinically diagnosed bipolar patients as an adjunct to ongoing drug treatment.
- Received weekly individual and group supervision with psychiatry and psychology faculty.
Supervisors: Patricia Suppes, M.D., Ph.D., and Diane Myers, Ph.D., Bill Logan M.D.

1/98-8/98 Group Facilitator-Graduate Assistantship

Dallas County Jail

Dallas, TX

- Ran anger management seminars for groups of 30 inmates.
- Collected and analyzed data from group sessions.
- Received weekly individual and group supervision.
- Co-presented findings at various conferences.
Supervisors: Ephrem Fernandez, Ph.D., and Teresa Williams Ph.D.

8/97-8/98 Psychology Intern – Masters Practicum

Head Start Center

Dallas, TX

- Provided testing and assessment of children between the ages of 4 and 6.
- Conducted interviews with teachers and families.
- Met with families to provide recommendations and review their child's progress.
- Managed data base, and assisted in the training of Masters level psychologists.
Supervisor: Nell Carvell, Director

TEACHING EXPERIENCE

2/06-current Program Professor

Nova Southeastern University Fischler School of Education and Human Services Miami, FL

- Teach Doctoral level courses (statistics and research based).
- Teach online masters courses in psychology.
- Experienced in WebCT and distance learning.
- Assist with curriculum development in the area of psychology.
- Review and update curriculum and develop innovative methods of program delivery.

1/05-01/06 Adjunct Professor--Department of Educational & Psychological Studies

TAL632 Classroom and Behavior Management, University of Miami Coral Gables, FL

- Teach one of the first blended courses offered at UM.
- Utilize Blackboard technology.

8/02-6/03 Voluntary Assistant Professor of Internal Medicine

Dept. of Psychiatry/Behavioral Sciences, U. of M./Jackson Memorial Medical Center Miami, FL

- Facilitated educational and process groups for first year medical students dealing with team building and basic clinical and interviewing skills development.
- Provided training in the biopsychosocial model.

2/01-5/01 Teaching Assistant--Department of Educational & Psychological Studies

EPS 513: Counseling Process, University of Miami Coral Gables, FL

- Facilitated training of micro-counseling skills and techniques to beginning Masters level therapists in weekly small group.
- Presented major theoretical orientations and provided guidance and feedback to students.

1/99-5/99 Teaching Assistant—Department of Psychology

PSYC 5385: Physiological Psychology, Southern Methodist University Dallas, TX

- Taught multiple classes.
- Duties included grading and meeting with students.
- Prepared and provided study materials for the students.

8/97-12/97 Teaching Assistant—Department of Psychology

PSYC 5385: Physiological Psychology, Southern Methodist University Dallas, TX

- Duties included grading and meeting with students.
- Prepared and provided study materials for the students.

2/97-6/97 Teaching Assistant—Experimental Psychology

PSYC 3383: Experimental Psychology, Southern Methodist University Dallas, TX

- Provided tutoring to small groups of undergraduate students.
- Led weekly lab sessions for small groups of students.

SUPERVISORY EXPERIENCE

9/02-8/05 Research Team Supervisor-Department of Pediatrics

Mailman Center for Child Development, University of Miami Miami, FL

- Provide clinical supervision to Masters and Doctoral level practicum students in psychological assessment.
- Provide training in database management (collecting measures, running focus groups, scoring, IRB, SPSS, statistics and data analysis).

- 4/02-7/02 Practicum Student Supervisor-Department of Pediatrics**
Mailman Center for Child Development, University of Miami Miami, FL
- Provided supervision and training to Masters and Specialist level school psychologists.
 - Observed and provided support to practicum students at various head start centers.
- 2/00-05/00 Assistant Supervisor - Department of Educational & Psychological Studies**
Counseling Psychology, University of Miami Coral Gables, FL
- Provided individual supervision to Masters level counseling practicum students.
- 8/98-5/99 Research Team Co-Supervisor-Department of Psychology**
Bipolar Disorder Clinic/Research Program, Texas Southwestern Medical Center Dallas, TX
- Provided training to Masters level counseling practicum student in data collection, coding, scoring, and data analysis.

COMMUNITY OUTREACH & TRAINING

- 8/03-8/05 Inclusion in early childcare settings** Miami, FL
Mailman Center for Child Development, University of Miami
- Conduct various neighborhood seminars, and lead focus groups.
 - Provide training in behavioral problems and learning disorders at multiple childcare centers.
- 1/03-6/03 Behavioral Medicine in Pediatric Rehabilitation** Miami, FL
Pediatric Rehabilitation Jackson Memorial Medical Center
- Led bi-monthly group didactics to patients and family members in a pediatric rehabilitation in-patient setting.
- 5/03 Complimentary and Alternative Medicine (CAM), in a Primary Care Center** Miami, FL
University of Miami/Jackson Memorial Medical Center
- Presented lecture to the Division of Psychology Grand Rounds on the efficacy, and cost effectiveness of CAM.
 - Focused on CAM, chronic diseases and directions for future research.
- 10/02 Post Traumatic Stress Disorder in an Inpatient Pediatric Rehabilitation Center** Miami, FL
University of Miami/Jackson Memorial Medical Center
 Presented lecture at Rehabilitation Grand Rounds on the prevalence, etiology and diagnosis of acute stress disorder and PTSD.
- Provided Orthopedic Residents information on PTSD symptoms that would either warrant a referral to psychiatry or a meeting with the patient's family members.
- 11/02-4/03 Pediatric Neuropsychological Assessment** Miami, FL
University of Miami/Jackson Memorial Medical Center

- Presented four different neuropsychological tests (Gray Oral Reading Tests-Fourth Edition {GORT-4}, Developmental Test of Visual-Motor Integration {VMI} Revised Children Anxiety Scale {RCMAS}, Peabody Picture Vocabulary Test-Third Edition {PPVT-III}) over four days.
- Provided information on their validity, reliability, standardization, scoring, test organization, and strengths and weaknesses, as well as demonstrating administration.

2/03

Mind-Body InteractionUniversity of Miami/Jackson Memorial Medical Center

Miami, FL

- Presented lecture during developmental neuropsychology seminar, focused on the following:
 - Mind-Body: Dualistic Versus Holistic
 - A Brief History of Integrative Mind-Body Models
 - The Psychobiology of Mind-Body Interaction
 - The Biopsychosocial Model
 - Emotions: A Holistic Approach.
 - Where Emotions Lie.
 - Universal Emotions.
 - How Behavior, Environment and Social Context can Alter Brain Structure and Chemistry.

1/01

Group TherapyUniversity of Miami

Coral Gables, FL

- In-service presentation to graduate students in clinical and counseling psychology at the University of Miami. Presented with L. Martinez, Ph.D.

11/00

PsychopharmacologyUniversity of Miami

Coral Gables, FL

- In-service presentation to graduate students in clinical and counseling psychology at the University of Miami. Presented with L. Martinez, Ph.D.

ADDITIONAL TRAINING

11/06

5-day Professional Biofeedback Workshop ProgramFort Lauderdale, FL

- Certification for Utilizing Biofeedback with Clinical Populations.

8/03-8/05

Grand Rounds Mailman Center for Child DevelopmentUniversity of Miami/Jackson Memorial Medical Center

- Attend weekly grand rounds in pediatric medicine.

8/02-8/03

Neuropsychology and Brain DevelopmentUniversity of Miami/Jackson Memorial Medical Center

- Attended weekly one-hour seminars in neuropsychology, assessment and brain development.

8/02-8/03

PsychopharmacologyUniversity of Miami/Jackson Memorial Medical Center

- Received weekly training in psychopharmacology and biology for one year.

- 9/02** **Traumatic Brain Injury: Recognizing Cognitive/Emotional/Behavioral Consequences**
Sponsored by the Florida Institute for Neurologic Rehabilitation, Inc. & Crossroads Counseling /Griefworks, Inc. and presented by David Kushner, M.D.
- Received 8 hours of training on the cognitive, emotional & behavioral issues related to individuals who have sustained mild-moderate brain injuries.
- 4/02** **Diagnostic Criteria for Behavioral and Emotional Difficulties in Infants**
National Center for Infants, Toddlers, and Families
- Seminar on mental health and developmental disorders of infancy and early childhood.
- 2/02** **Angry and Aggressive Behavior: A Life-Span Treatment Approach**
Sponsored by the New England Educational Institute-9th Annual Florida Symposia Presented by Donald Meichenbaum
- This symposium examined the nature and development of anger and aggressive behavior from a life-span perspective.
- 11/01** **Eye Movement Desensitization and Reprocessing – Level I**
Sponsored by the EMDR Institute, Inc. and presented by Kay Werk, LISW
- Attended 20 hours of clinical training, and completed the requirements for level I EMDR trainee.
- 9/01-10/01** **Leadership Education in Neurodevelopmental and Related Disabilities (LEND)**
Sponsored by Mailman Center for Child Development, Internet Course
- Course designed to enhance interdisciplinary diagnostic and evaluation skills while building an understanding of working with children with special health care needs and disabilities.
- 8/00-6/01** **In-Service Seminar Series Training**
Sponsored by the Institute for Individual and Family Counseling and presented by various professionals
- Received in-service trainings on the following topics:
 - Play therapy & Music therapy
 - Gay and lesbian issues in psychotherapy
 - Racial identity development
 - Eating disorders
 - Psychopharmacology
 - Group counseling
 - Migration issues
 - Step family issues
- 2/01-3/01** **Intermediate Hypnotherapy Workshop**
Sponsored by the University of Miami and presented by Herb Dandes, Ph.D.
- Attended 20 hours of clinical training.
 - Learned and practiced advanced and specialized hypnotic inductions.
 - Practiced constructing therapeutic metaphors and indirect suggestions.

- Learned specialized applications, including, age regression, memory and working through trauma, anxiety, habit disorders, exploratory techniques for insight-oriented therapy and pain management.
- Integrated hypnosis into clinical treatment. Completed the class training needed to receive certification by the American Society of Clinical Hypnosis.

2/01 Individuals with Disabilities Education Act Conference

Sponsored by OSEP and NECTAS in Washington, DC and presented by various professionals.

- This conference provided 20 hours of lectures related to early childhood development.

9/00-10/00 Beginning Hypnotherapy Workshop

Sponsored by the University of Miami and presented by Herb Dandes, Ph.D.

- This workshop provided 20 hours of approved training for clinicians pursuing certification in clinical hypnosis through the American Society of Clinical Hypnosis (ASCH).
- Reviewed the current research in hypnosis, and applied basic underlying principles of induction.
- Learned and practiced several hypnotic induction techniques and their therapeutic applications.

3/00 Psychodrama Workshop

Sponsored by the University of Miami and presented by Herb Dandes, Ph.D.

- Fundamentals of psychodrama including background history, principles, methods, and techniques.

7/00 Psychotherapy and Meditation: Cultivating Insight and Compassion

Sponsored by the New England Educational Institute and presented by various professionals

- Week long educational symposia designed to meet the theoretical and practical needs of mental health professionals.

6/99 Cognitive Behavioral Treatment of Patients with Borderline Personality Disorder

Sponsored by the New England Educational Institute and presented by Meichenbaum, Ph.D.

- Week long educational symposia designed to meet the theoretical and practical needs of mental health professionals.

PRESENTATIONS & PUBLICATIONS

- 7/06 Kennedy, T.D., & Burnett, K.F. (2006).** Juvenile crime: Predicting violent from non-violent offender. Presented at the annual conference of the American Psychological Association (Division 47), New Orleans, LA.
