

**TO: Innovative Leaders**  
**FROM: Marsha R. Glynn, Ed.D., Field Associate**  
**DATE: October 2008**  
**SUBJECT: Doctor of Education Information Meetings**

### **Cause an effect!**

Leaders like you understand that in today's rapidly changing world, education is your best investment. At Nova Southeastern University (NSU), we have more than 30 years of experience in both traditional and distance education, which allows us to offer real education for the real world. To that end, we have designed a doctor of education degree that will allow practical application of your knowledge and experience to your current profession.

The Doctor of Education (Ed.D.) degree offers you choices—the choice to build a degree program based on your career goals; the choice to take courses in the manner that best suits your learning preference and personal lifestyle; and the choice to use the expertise and skills acquired through this doctoral degree to lead your organization to excellence.

Prospective students who are retired military, in the military reserves, or on active military duty are eligible for a 25% tuition grant when the proper verification and discount form are submitted at the time of initial enrollment. All NSU alumni may apply for a 20% tuition grant. Talk to a doctoral enrollment counselor for additional tuition grants available.

### **Concentrations in the Doctor of Education degree include:**

- Educational Leadership
- Health Care Education
- Higher Education
- Human Services Administration
- Instructional Leadership
- Instructional Technology and Distance Education
- Organizational Leadership
- Special Education
- Speech-Language Pathology
