

Pennsylvania Certification  
Superintendent Letter of Eligibility or Executive Director

INTRODUCTION

To acquire the Pennsylvania Letter of Eligibility or Intermediate Unit Executive Director Certification the participant must fulfill the following:

- The participant must successfully complete the entire curriculum that leads to a Doctorate in Educational Leadership, including the applied dissertation proposal (minus the dissertation).
- The participant must successfully complete the two additional courses that are designed exclusively for Pennsylvania students. They are:
  - School District Management EDL 7110
  - Social Psychological Foundations of Education EDL 7120
- The student must participate in a 12-week internship that is designed to improve the school or school district where the participant is employed.
- The student must participate in various field experiences that are designed to enhance the student's knowledge concerning school district administration.
