See Yourself As You Were Then: 1998 – 2002 ITDE Summer Institute Videos Available

We recently uncovered copies of the summer institute videos for the years from 1998 – 2002. Those of you in the ITDE program when we held summer institutes will remember the videos as the visual summary of the week-long summer program. Traditionally they were shown on the last day of the Institute.

We had the videos converted to a DVD and they are available for those of you who would like to re-live the “glory years” of your doctoral program. If you would like to have a copy, just send Dr. Mike Simonson a check for \$10 payable to the Fischler School of Education & Human Services to cover duplication and mailing costs. There are a limited number of DVDs available, so order your copy now.

By the way, there is a growing list of ITDE graduates who are “Friends of ITDE.” Stay in touch with your “Friends”, including us here in North Miami Beach. We would like to establish a strong, informal “Friends of ITDE” group. Any help you can provide would be welcome.
