

October 27, 2011

Dear MATL Students:

The MATL Winter 1 2012 term begins on Monday, January 3, 2012 and ends on Saturday, February 26, 2012. WebSTAR registration opens on Monday, October 3, 2011 and closes on Monday, January 2, 2012.

The MATL Winter II 2012 term begins on Monday, March 5, 2012 and ends on Sunday, April 29, 2012. WebSTAR registration opens on Monday, October 3, 2011 and closes on Sunday, March 4, 2012.

Please register as soon as possible, since students who register late are assessed a \$100 late fee. All new, first term students are exempt from the late registration fee.

Students who are experiencing difficulty with registration should contact Student Services at 1-800-986-3223, ext. 8500.

Your section code identifies your specialization area (C for Curriculum and Instruction, R for Elementary Reading, M for Elementary Math, and T for Technology Integration) as well as your cohort number for the course (1, 2, 3, etc.)

To assist with your registration, please see below for the sequence of courses in each specialization. Please note that all MATL section codes for the first session of a specific term (Fall 1, Winter 1, Summer 1) include a "1" in front of the section code (1C1, 1M1, 1R2, 1T2, etc.). All section codes for the second session of a specific term (Fall 2 or Winter 2) include a "2" in front of the section code (2C1, 2M1, 2R2, 2T2). During the summer term, MATL classes will be delivered only during the first session. All summer classes will include a "1" in front of the section code.

Continuing students: Please note that the "1" or "2" replaces the first "R" in your current section code. If you are currently in EDUC 610 RC2, then your next course for Fall 1 is EDUC 630 1C2 and EDUC 640 2C2 for Fall 2.

All MATL students begin with EDUC 610 and end with EDUC 620.
