LOCATION:

The Center for Living and Teaching Peace is sponsoring Broward County's first Creative Innovations in Violence Prevention Expo. Unique and inspirational workshops demonstrating creative techniques, strategies, and ideas for preventing violence among populations of all ages and types are sought. Workshops are intended to appeal to educators, social service providers, students, and parents. All workshops will be 30 minutes in length, with 5 minutes devoted to answering questions.

Because the goal is to highlight innovative and interactive ideas, workshops must do more than inform—they must inspire! To that end, all workshop leaders must devote at least half of their allotted time to modeling activities with attendees.

To submit a proposal to lead a workshop, please send the following information to Dr. Laura Finley, Director, Center for Living and Teaching Peace, at liveandteachpeace@gmail.com

- Name
- Affiliation
- Contact information (address, phone and email)
- Title of proposed workshop
- Abstract of proposed workshop (75 words or less)
- Target audience (select elementary school educators, middle school educators, high school educators, students, social service providers, or all)
- Innovative strategies to be modeled during session
- Brief biography (75 words or less)

All proposals must be received by July 14 at 5:00. Notification of acceptance will be made by July 18 at 5:00 p.m.
